

Welcome back to another fun-filled, faith-filled school year at In His Arms. By choosing to send your children to our childcare center, you have also become part of the family here at Our Savior.

I'd like to take the opportunity to introduce myself. **I'm Pastor Rob Bolling.** My office is in the lower level of the school building. I'd love to have you catch me in the hall sometime and introduce yourself to me. I will be leading chapel services with the children each week and look forward to getting to know them. I want to be available to talk with you, get to know you, pray with you and help attend to whatever needs you may have. We are a caring congregation. If you have a need, please mention it to your child's teacher and we will do our best to help.

We have a very active congregation – here are a few highlights of our activities:

- We have an active youth group, the **Active Christian Teens (ACT)** who frequently do service projects in the community. They just served a meal at Love, Inc. The youth will be holding a Flea Market/ Car Wash/Bake Sale on the church grounds on Saturday, September 12th. Please stop over and look around.
- We participate in the annual Burlington community **Crop Walk**. Watch for a flyer by the school office and consider walking with us or sponsoring a walker to help fight world hunger.
- We welcome you to attend our **worship services** if you do not already have a church home. It is great for us to get connected with the Lord and each other. We provide **nursery care during every late service** for our young friends. We offer worship services on **Saturday nights at 5:30, Sunday mornings at 8:00 and 10:45**. We have a **contemporary praise** service on the 1st and 3rd Sundays of the month. We also have adult Bible classes and Sunday School from 9:30-10:30am every Sunday.
- Are you thinking – church just isn't for me? Consider attending my **Good News Class** which will start **Sunday, Sept. 13** from 4:00-5:30pm in the lower level of the school building. There is no cost, no obligation; just a lot of fun and learning! I can also arrange a daytime, weekday, Good News class this fall – just let me know if that is something you would like.

Come visit us. We'd love to talk with you. We thank you for sending us your precious children.

"And he took the children in his arms, put his hands on them and blessed them."
